### Comments:

Hotel is quite old and mildly updated. Throughout the day, the cleaning staff have been incredibly loud. We arrived at around 7am. Breakfast options were terrible. I ended up making it to bed around 8:45am. By 1pm I've had enough.

### Comments:

I foresee many problems staying at this hotel. The rooms are no cheaper than Radisson red and there is no comparison quality wise. I would say that this option is worse than the Ramada due to the noise.
