Crew Transportation 1

Comments:
Waited 45 minutes for van from terminal to plane.

Flight Following Package N/A

Comments:

Loading/Cargo 4

Comments:
LM had no issues

Handling Paperwork 0

Comments:

Mx/Fuel 1

Comments:
Needed two air carts. MX repeatedly has told ground crew that the first cart used was not able to start aircraft.

Catering 2

Comments:
Little dry ice, loose containers, poor quality. N411SN has no chiller, flights are not supplied with enough dry ice or regular ice. The quality and sanitary condition of food becomes an issue. Eventually, a crew member will get ill from this poor c
